

September 8, 2010

WASHINGTON, DC - U.S. Rep. Michael A. Arcuri (D-Utica) announced today that the Federal Aviation Administration (FAA) has awarded the Finger Lakes Regional Airport in Seneca Falls, NY a total of \$1,240,808 for runway rehabilitation.

"I am pleased to announce this grant which will enable Finger Lakes Regional to improve the airport's runway," **said Arcuri, a member of the House Transportation and Infrastructure Committee which is responsible for authorizing funds through the FAA**

"These funds will help the airport to continue serving as a point of growth and development in the region. I am glad to see federal funds coming back to the area to improve transportation infrastructure."

The FAA awarded the funding for the rehabilitation of Runway 1-19 at the airport. The existing pavement is in poor condition and requires rehabilitation to ensure airport safety.
